### Women'sHealth

*‘Our RejuvaDetox tester in her mid 40’s had been trying to lose weight for years, in just 2 weeks she went from 11 stone 6 lbs to 9 stone 12 lbs with a huge 42 inches lost from her overall body shape. Best for those in serious need of a physical MOT.’*

---

### Woman's Own

*‘After having RejuvaDetox I bounced out of the clinic, feeling great. I lost 11 lbs and dropped from a 14 to a 12, I’m about to go on holiday and just brought a bikini. Last year I was dreading stripping off.’*

---

### NOW

*‘Incredibly after 14 days I’d lost 7 lbs and felt amazing on RejuvaDetox, it helped smooth the cellulite of my bottom and top of my legs.’*

---

### OK!

*‘I lost 18 lbs. and 26 inches from my body including the three inches from my waist, and the RejuvaDetox machine definitely helped tone my body.’*

---

### she

magazine for women

*‘RejuvaDetox is incredible! After only 2 weeks I could actually see my waist again and my clothes were definitely looser. After a month I’d lost a stone and 20 inches from my body and had gone down a dress size, from 16 to a 14.’*

---

### new!

*‘We road-test the treatments the celebs can’t live without. Although I was trying RejuvaDetox to increase energy level, rather than lose weight, I shed 10 lbs and dropped a dress size, I’m still unconvinced by some of the science, but I have more energy and two months later, the weight has pretty much stayed off. Plus I have beaten a serious coffee addiction.’*

---

### VOGUE

*“Great for anti-ageing and weight-loss!”*

---

### HARPERS

MAGAZINE

*“Ideal for anyone looking for a serious detox programme”.*
